REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Alstead:

I submit herewith my third annual report as Superintendent of Schools.

TEACHERS AND ENROLLMENT

Three of the teachers of last year returned to Alstead in September. Mrs. Clough of the Village Advanced room is succeeded by Miss Laura Edney, and Miss Farinoli at the Center school by Miss Marjorie Bennett of Grafton, New Hampshire, Plymouth Normal School, 1930.

The tabulated organization of the schools is as follows:

School	Teacher	Enrollment, Jan. 5
Village Primary—	Nellie R. Webster,	28
Village Advanced—	Laura V. Edney,	15
Alstead Center—	Marjorie Bennett,	13
East Alstead—	Mildred I. Angier,	19
Mica Mine—	Lewis A. Snow.	21
Rhoades school—	Keene Normal Cadet,	7

THE RHOADES SCHOOL

In accordance with the vote of the District the school house in the Rhoades neighborhood has been renovated and put in excellent condition, and a school established there. The brick work of the outside was repaired, a new chimney built, new windows cut in the rear of the building, chemical toilets and blackboards installed, and the interior completely re-finished. Through the generosity of Mr. Elmer Rhoades, an ample playground has been given to the school.

The school is taught by cadets from the Keene Normal School. The teachers sent thus far have proved willing, enthusiastic workers, and the pupils have made good progress.

THE OTHER BUILDINGS

During the past summer chemical toilets were installed at the Village school. For these a space was partitioned off in each of the dressing rooms. A doorway has also been cut in the partition between the two dressing rooms.

Each school has been furnished with a Fyr-Fyter fire extinguisher. New sets of maps have been supplied to the Alstead Village and Mica Mine schools, and a set of school reference books at the Village school.

Our most urgent need for the coming year is a new heating plant at the Village school. Only two of the schools, the Center and Mica Mine schools, are not equipped with chemical toilets. I hope that the District may see fit to furnish these as soon as practicable.

HIGH SCHOOL PUPILS

Again we find a gratifying number of pupils attending high school. Of the ten who graduated in June, 1930, from the eighth grade, eight entered high school.

The pupils now attending high school are:

REV. JOHN M. McLAREN

Shortly after his resignation from the School Board and his departure from Alstead, Mr. McLaren passed away at his new home in Dudley, Mass. For more than three years he served as a member of the Board. He was an enthusiastic worker for all that makes for the improvement of our school system. His coworkers join in this tribute to the esteem in which he was held by them.
